

One day Workshop

CREATING INTRAPRENEURS

Tuesday, 17 September 2019

Organisations today, are transforming themselves in order to rise to the complex challenges of the 21st century.

INTRAPRENEURS can be the driving force behind this transformation!

WHAT IS INTRAPRENEURIALISM?

It is the act of behaving like an **ENTREPRENEUR** whilst working **INSIDE** a large organisation.

Intrapreneurialism is the demonstration of **business acumen**, **personal leadership** & **creative problem-solving** abilities that enables employees to find, explore & implement worthy ideas that help the organisation to be **future-ready** and **relevant**. In a fast-moving world, **intrapreneurs** are the high-potential multipliers who are the source of **energy** and **creativity** that helps an organisation, to exploit change and innovation opportunities. They are the **MOST** valuable of all employees!

Invest in yourself and your team. Become more **enterprising** in your approach to **envisioning and creating the future**. Solve problems, implement your ideas and influence for positive change. Discover some powerful, road-tested tools, approaches and frameworks guaranteed to help transcend 'business-as-usual' thinking and doing in the service of creating new **VALUE**.

"Developing our intrapreneurial skills with Dr. Irena has been hugely beneficial for changing the way we think about our business problems and their solutions." K. Dyble. Manager. QSA.

Dr. Irena Yashin-Shaw

What You'll learn!

- ▶ What it means to be an intrapreneur and why it is so important
- ▶ Why nurturing your intrapreneurial abilities is the **BEST** investment you can make in yourself, career and workplace
- ▶ How to be intrapreneurial inside a large organisation
- ▶ How to spot innovation opportunities and capitalise on them
- ▶ A proven pathway for developing your confidence and influence as an agent of positive change
- ▶ Ways of quantifying the impact of intrapreneurial activities
- ▶ Processes for developing business acumen
- ▶ How to overcome barriers to intrapreneurialism
- ▶ The intrapreneurial mindset and skillset and how to use them to turbocharge intrapreneurial and transformation efforts!

"Great program! I have used the central model as a reference in developing my own change strategy." Ingrid. MacDonald. A/Manager. Digital Archiving Program.

Want to bring a culture of intrapreneurialism to your workplace?

One Day Public Workshop Package

CREATING INTRAPRENEURS

Dr Irena Yashin-Shaw PhD

Liberating Innovation Creativity & Leadership

With a PhD in Creative Problem-Solving and a Master's Degree in Adult Education, Dr. Irena is a highly experienced corporate educator adept at helping people to liberate their creativity and intrapreneurial thinking to solve problems and drive innovation. As one of Australia's leading authorities on intrapreneurialism, she understands what works and why when it comes to helping people, teams and organisations learn, transform and evolve to be future-ready.

BENEFITS

- Find ways of addressing **key organisational challenges** such as:
 - *Cutting red tape*
 - *'De-siloing'*
 - *Transforming legacy systems*
 - *Streamlining bureaucratic outdated processes*
 - *Transitioning to digitisation*
 - *Finding clever ways to reclaim **tens of thousands of dollars** of lost productivity within your workplace!*
- Inspire participation and collaboration to address complex challenges.

"I love effective processes, so I love the structure that Dr. Irena Yashin-Shaw provides for influencing and implementing innovation and change through intrapreneurialism." **Wayne Boulton. Manager. Department of Housing and Public Works.**

"Excellent workshop!! I learnt a great deal that could be immediately applied in my workplace to motivate change and get some wins quickly. A truly unique experience." **Peter Wiltshire Project Manager. RoadTek.**
